

Agility Show & Go at Anything's Pawsible

September 3, 2011*

2-6 PM (or until the last person leaves, whichever comes first)

Registration begins at 1:30 PM

Located at 3316 S., 450 W. Russiaville, IN 46979

\$5/run OR \$20 for unlimited runs (per person) – 4 minute limit per run

There will be a nested standard course in a 90x180 fully-fenced grass field, with ample tenting area. No restrooms will be available on site – however there are restrooms in the towns of Alto and Russiaville. Volunteers are appreciated! We are a small group and appreciate any help to keep this event running smoothly.

Dogs entered in the Show & Go may jump any AKC height. A “judge” can stand in for your run if requested. No corrective collars or head halters may be worn on the agility field. Toys and treats are allowed. We recommend all dogs participating be competent on full height, AKC regulation contacts; and handlers are advised to not attempt any equipment higher than the dog has been trained for.

Please let us know if you think you may attend, so we can make sure we have enough room for everyone to park. We would rather plan for too many than too few! ☺ Jenn@Anythings-Pawsible.com

*In the event of severe weather, the Show & Go will be rescheduled for September 4. Notice of cancellation will be posted to <http://Anythings-Pawsible.com> (if cancelled) by 10 AM on September 3.
